

Family Conversations!

How to

These cards can be used to engage your child in meaningful conversations. These conversations can be fun and help you understand your child's perception of the world! Parents can model how to have a conversation by sharing their own experiences first!

These cards could be used while on the go, or around the dinner table!

Enjoy!

Questions to Help Explore

Kids sometimes need help exploring their thoughts, feelings and experiences. Here are some open-ended phrases parents can ask that will help!

- Please say more about this...!
- How does this work?
- Why...?
- And then what happened?
- What would happen next?
- Why do you think...?
