

A Sticky Situation: The School Bus Bully

The sticky situation: The school bully is calling you names on the school bus and stealing your lunch money. They tell you that if you tell someone, they will hurt you next time. What will you do?

For the adult: Discuss this with your child or teen and write a few sentences about how one should effectively resolve this sticky situation.

For the child: Draw and write a short comic using the ideas from the discussion and words above to resolve the sticky situation.
